

## REFERENCE LETTER

I am writing this reference letter at the request of Fredrik Rusch. As senior lecturer at Stockholm University and KTH-The Royal Institute of Technology, I work with many students who have substantial knowledge of Computer System and ICT System. Fredrik Rusch has consistently shown such a strong desire to learn that I accept his request for recommendation.

I have known for almost a year in my capacity as a lecturer and researcher at DSV Department of Computer and System Sciences of Stockholm University and KTH. Fredrik Rusch worked for me as a Bachelor Thesis Project student belonged to Stockholm University for which I served as a supervisor and advisor. He also took another course from me, Mobile Business. Based on Fredrik Rusch's grades and performance quality, I would rate Fredrik Rusch performance in my class as exceptionally well.

Fredrik is an outstanding individual with a strong quality and character. He has the ability to produce impressive results in wide ranges of Information System and Technology areas. Fredrik is knowledgeable, organized, motivated. I have seen very good results on courses and projects. Additionally, he has a very positive attitude and truly embraces learning on new technologies.

In conclusion, I would highly recommend Fredrik Rusch.

Stockholm June 2011

Sincerely yours,

Björn Rosengren  
Ass. Professor  
DSV Department of Computer and System Sciences  
Stockholm University
